

episode six SUMMARY

I hope you've enjoyed another episode of Attraction Pebbles!

This month, let's talk about the cat string theory!

Remember... Nothing has value unless you work for it!

Here are some examples.

- **"Look, you seem really nice, but I don't think I can trust you."**
- **"Look, I don't mean to snob you off, but I can't tomorrow. I've got something on. How's next week?!"**
- **"Hey do you want to know something?... Oh don't worry about it."**
- **"You see, a lot of men come up to me, and they all seem to have gotten their act together, but what makes you stand out from the rest? In fact, give me your three best qualities that make you worthwhile of my time!"**

So here's your assignment this month!

Go out there and find 5 people to use the cat string theory. Make him work for your attention and time.

Go out there and put it into practice!

I look forward to seeing you next month!
