

REPERTOIRE LIST

Thank you for your interest in my musical services. Below is a partial list of songs that I have enjoyed playing for audiences over the years, many of which were requests from brides and grooms. Songs can be requested for all parts of the wedding ceremony (gathering, processional, bridal selection, recessional) cocktail hour, and dinner.

Any song that you want can be learned. A video or audio recording will be sent to the couple for approval before your event. I live for this kind of work!

Love,

David
