

episode three SUMMARY

I hope you've enjoyed another episode of Attraction Pebbles!

Just in case you didn't write them down, here are some examples from this month's Attraction Pebbles...

- **"God. You suck!!"**
- **"You are terrible! You know what? I'm so sick of you!"**
- **"Look, seriously, I don't need you. I have Tom Cruise in my back pocket!"**
- **"Wow, your pants look good, but what's wrong with your shoes?"**
- **"Wow, you may have won the genetic lottery, but what happened to your personality?"**

Remember, you do have some homework! So go out there and practice some Attraction Pebbles on at least 5 people, ideally friends! Demonstrate your higher value through these negs!

Go out there and put it into practice!

I look forward to seeing you next month!
