

DELTA DENTAL INSURANCE BREAKEVEN CALCULATOR

Information required to populate reports needed to utilize the Endo Mastery Delta 'breakeven point' calculator:

1. **Procedure Analysis** (run report from your software) date range July 1st, 2021- June 30th, 2022. This report shows how many times you billed each code.
2. **Fee for service; cash fee, per code**
3. The letter you received from Delta (heading reads): **Confidential-New Premier Contracted Fees for Illustration of Potential Financial Impact**. This report will show you the dollar amount generated by Delta claims, time frame **July 1st, 2021 -June 30th, 2022**.
 - This will allow the percentage calculation of Delta dollars in comparison to total practice collections (percentage will be entered into the calculator).
4. You can also retrieve this information from your software by running an Insurance Utilization report, per insurance company
5. **Total collections**, time frame July 1st, 2021- June 30th, 2022. Run report from your software.
 - The letter you received from Delta (heading reads): **Re: Written notice of an Amendment to your Delta Dental of California Participating Provider Agreement and Participating Dentist Ruler**.
 - This letter will show side by side comparison of your current 2022 and 2023 proposed fees along with the rules and guidelines of the agreement. 2022 and 2023 fees will be entered into the calculator.
