OUR HOCKEY REVIEWS

From Our 2019 Hockey Families

We love MVP International because...

CG

There was never a dull moment. Everything was taken care from transportation, tours, and of course hockey. Our hosts were great and our trip advisor Eli was on top of everything. It was one of the best vacations we have had with plenty of hockey for my son as well. The Coaches and families we met were really nice and had some great experiences with them. I think this will be one of those "once in a lifetime experiences" my son will ever have. Thank you MVP International. The Gortva's

What an amazing experience! My family and I are really grateful to MVP for planning an incredible, truly memorable trip. Picturesque locations, terrific accommodations in the heart of Copenhagen and downtown Stockholm and hockey wrapped together to provide the perfect venue for fun. Eli was organized and efficient. Simon the hockey director maximized the sporting experience. Local tour guides Atto and Jenny colored between the lines. All in all outstanding. I can't wait for the next adventure.
