# HELDERKRUIN PRIMARY SCHOOL ACTRESS ADVANCE IN THE WORLD MONOLOGUE GAMES

12th Aug 2020

Local actress Dané Herselman has made it straight through for the World Monologue Games GLOBAL Finals. One of only 12 competitors in the Tiger division who made it through directly to the GLOBAL finals! Theatres and film sets around the world are closed for business but this didn't stop Dané Herselman's passion for performing. The Roodepoort actor submitted an entry to World Monologue Games, a global event with competitors from over 80 countries vying for prizes and glory.

When Dané received an email announcing she had made it to the Finals, she was over the moon as it is an honour to be competing for South Africa in this amazing event. World Monologue Games is only in its first year but already attracted thousands of international performers. Event founder Pete Malicki from Sydney Australia says, "COVID-19 has had a devastating effect on people's lives, the global economy and many different industries including arts and entertainment. I wanted to create an opportunity for actors around the world to show how resilient they are. The response was massive – I'm not sure if this many actors have participated in one event before!"

Dané Herselman will be performing a piece called "The Part", a piece about a girl who gets a roll in their school play. "I really love performing this piece. It is a fun piece about a girl who is very excited about her roll in their school play, but she believes that she is ready for a bigger roll... I love portraying this character." The Finals will be live-streamed after the Regional's. The Regional's will be live-streamed in August and September 2020, with the winners of the Regional's of each category competing in the Global Finals in front of hundreds of thousands of performing arts fans.
