

# episode five SUMMARY

I hope you've enjoyed another episode of Attraction Pebbles!

This month, we have some attraction pebbles revolving around the idea of dares and bets. Here are some examples.

- **"I bet you can't eat a whole spoon of wasabi/Tabasco sauce!"**
- **"I dare you to talk to that weird looking homeless man over there!"**
- **"I dare you to pretend you're the best trumpet player in the world right here in the middle of the street."**
- **"I dare you to go up to that pizza place and ask for a big mac!"**
- **"I bet you can't fix my broken door hinge!"**

So here's your assignment this month!

Go out there and find 5 men to either dare them to do something, OR bet that they can't do something. Women don't count, it has to be men! It could be as small as betting on who's going to win the football match over the weekend.

Go out there and put it into practice!

I look forward to seeing you next month!
