

OUR MISSION

Cultivating change-makers and social innovators for deep, sustainable, community impact worldwide.

2017 ACCOMPLISHMENTS

- 110 hours over 13 days were spent in two **training sessions** for our program partners from India, Kenya, Rwanda, and Mozambique.
- More than 1,400 hours were given by **interns and volunteers**.
- **Training curriculum** was finalized and launched with our partners, offering them an eight-section guide focused on leadership, community development, cross-cultural adaptation, project management, fundraising, financial management, communications, and technology.
- Recruited **six new community leaders** who will begin their partnership in 2018.

PARTNER SPOTLIGHT

CUAUHTÉMOC • Mexico

Cuau leads Integración Lógica Matemática — a program that helps gifted, underprivileged children excel in mathematics and find inroads to their long-term success.

DIGNA • The Philippines

Digna is launching the Indigenous Learning Institute to preserve the marginalized Igorot language and culture, and ensure that young Igorots throughout the Philippines — and worldwide — will retain a connection to their native culture, values, and origin.

PADOX • Kenya

Padox leads Seed Foundation — a community effort to educate the children of the Kibera slum in Nairobi, Kenya. At the primary school, children receive a quality education, have access to healthy foods, and clean water.
