

episode two SUMMARY

I hope you've enjoyed the second episode of Attraction Pebbles!

Just in case you didn't write them down, here are some examples from this month's Attraction Pebbles...

- **"Hey High Five! ... Ah too slow!"**
- **"Go ahead... try it. How could you lose with me as a friend?!"**
- **"Wow, you are so nice, I'm going to charge you double!"**
- **"You're good, just like the view!"**
- **"Hey hey, hands off the merchandise. That will be \$30 dollars please... oh you did it again, that's another \$30. You must be rich. How are you going to afford all this?"**
- **Remember, you do have some homework! So go out there and practice some Attraction Pebbles on at least 5 people! Demonstrate your higher value through these pebbles!**

Go out there and put it into practice!

I look forward to seeing you next month!
