00:31:51 Click Stars LLC: Hi Susan, if you're talking to me, it's "Zephilli" by Louisa Harding in her own 100% cashmere yarn called Cashmere Gilli - we have it in the store at Loops and LoopsLove.com and the pattern is free with purchase I believe.

00:31:56 Grammy's time zapper: that's sweet!!

00:35:35 Doris Walker: I like that idea to start with new purchases and add them to Ravelry stash & work from there.

00:35:35 Blandyna: Have to remember to keep uploading new stash purchases, as its easy to get lazy and let a new build-up of uncategorized yarn happen.

00:35:43 Virginia's iPad: anyone from Massachusetts?

00:35:54 susan: That's a great question.

00:35:59 Blandyna: Yes; Blandyna from Lincoln.
