Build Your Business

1. Find your 'why'? What motivates you to be a passionate and successful trader to pursue your best life? Is it extra time with family? Extra income to pursue your hobbies? The hope of having a new car or sending your kids to the best schools? The travelling trader lifestyle? Retirement freedom? Take a few moments to define your 'why' – be as specific as possible. Getting in touch with your 'why' helps you stay focused and allows you to turn your dreams into reality!

Fast Start Game Plan 2-A-Day and 10 in Play
