

episode nine SUMMARY

I hope you've enjoyed another episode of Attraction Pebbles!

This month, let's talk about using the concept of US vs THEM!

Remember... **In order for you to create a bond and a bubble between you and your man, you need to establish what is on the OUTSIDE of that bubble.**

Here are some examples.

- **"Look at that guy over there, what do you think he's thinking?"**
- **"Look at the strange look on that woman's face, that divorce settlement is really getting to her huh!"**
- **"Wow, did you see that guy's mono-brow? He must have really got picked on at school"**

Remember we're not here to pick on anyone or directly put anyone down.

This is all about creating the US vs THEM paradigm and the more we can factor in private jokes and private conversation threads, the more we're able to create a stronger bond in that bubble.

By the way, don't ever be directly disrespectful to others!

Go out there and put it into practice!

I look forward to seeing you next month!
