## *Rustic Cabins*

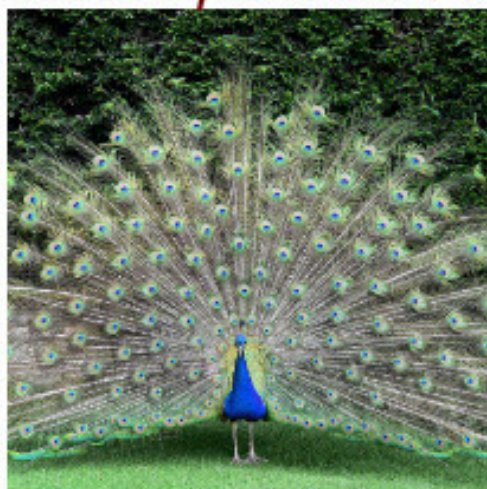

**Our Rustic Cabins come in three styles to better serve you and your guests.**

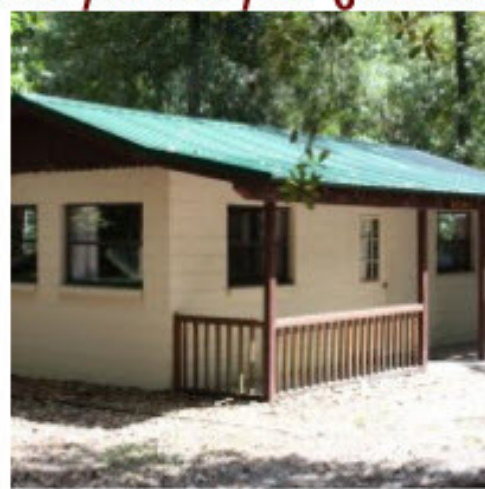

We have 18 Rustic Cabins. Each Cabin has 2 sides connected by a shared bathroom. Each side sleeps up to five people. They sleep up to 24 people.

We are a primary user group facility serving groups with a ministry or educational purpose

We have 2 Guest Cabins. Our Guest Cabins have two private units each with their own private bathrooms. The cabins sleep a total of 4 people, two to a side.

We have 1 Efficiency Apartment Style Cabin. The Efficiency Cabin is divided into two rooms – a private bedroom with a queen bed, and an efficiency style combination full kitchen, eating area, livingroom, and bunk beds. This Cabin sleeps up to 8 people.

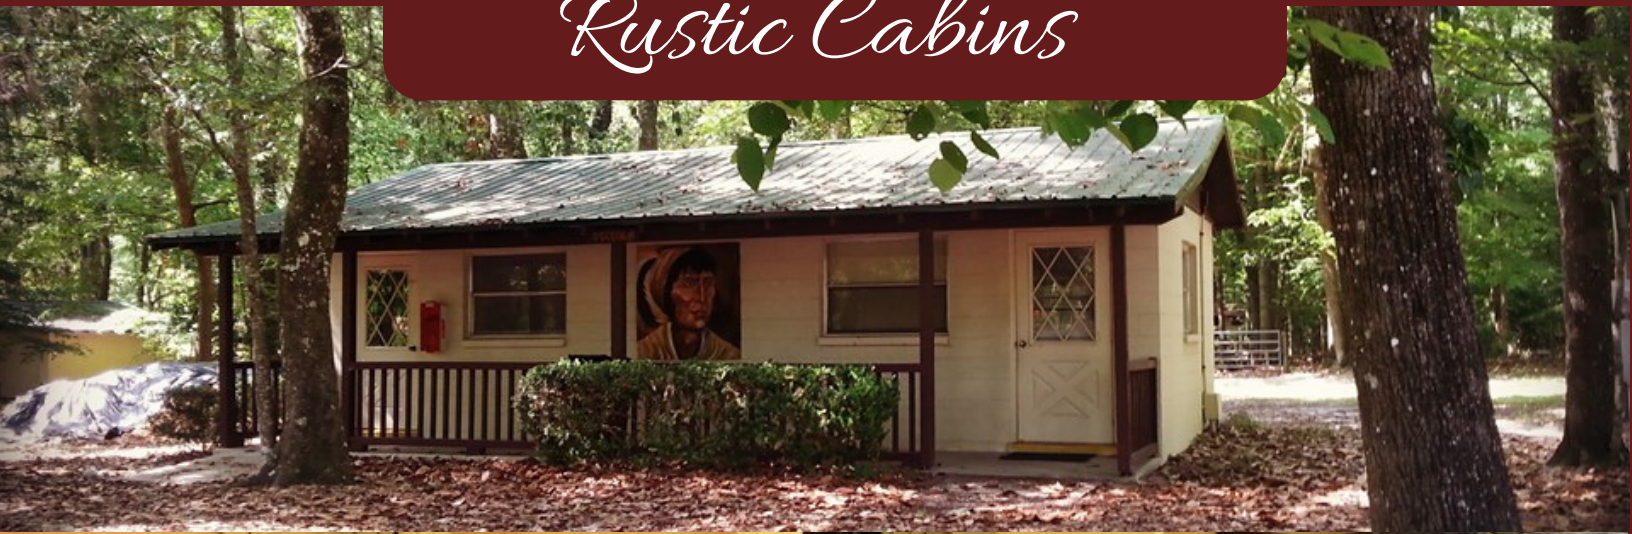

**Our Rustic Cabins are the perfect housing choice for events with groups or guests that need all the comforts of home.**
