

BUSINESS BY DESIGN

ARE YOUR **BUSINESS LEADERS** AND **MANAGERS GROWING FASTER** THAN YOUR BUSINESS OR IS THE OPPOSITE TRUE?

There is an axiom ... that a business cannot out grow its leaders.

To ensure your business continues to grow, your leadership team needs to grow their ability to manage their commitments, empower their people, deal with constant change and remain agile.

Yet many businesses struggle to find the right professional development and leadership training for their management teams.

If your aiming to improve your organisations' leadership effectiveness, then now is the time to create a new generation of capable leaders ... **Future Leaders**

The Future Leaders program is a unique set of tools to drive the leadership development process and ensure that it soon becomes a blueprint for 'business as usual' and achieve the best results:

Your team will learn to lead people, teams and organisations by

- ✓ Making the transition from "mate" to manager
- ✓ Role modelling behaviour
- ✓ Knowing the difference between managing, coaching and leading
- ✓ Understanding the 5 levels of leadership

Skills to come with

- ✓ Resistance to change
- ✓ Difficult people
- ✓ Conflict
- ✓ Underperformance

THE
FUTURE LEADERS PROGRAM

Be effective at

- ✓ Goal setting
- ✓ Delegating
- ✓ Giving feedback
- ✓ Achieving results
- ✓ Motivating and empowering others

The Benefits of this customised leadership training include

- Content specifically designed for your business and industry that will resonate with your managers regardless of seniority or leadership experience
- Address real skills gaps fast
- Training is based on the needs of the managers in the room . . . not content stuffing
- Our practical and hands on approach means your managers learn by doing and applying skills immediately in the workplace
- With proven leadership methodologies our training is easy to implement across your entire organisation
- With implementation being rolled out across department heads the waterfall effect of change is fast
- Participants walk away with a clear and concise 'One Page Plan' for their own leadership development and the skills to create plans for their team members
- Participants will have access to a library of leadership tools to help managers develop others in the business
- We can assist in turning your leadership development plans into reality by providing ongoing online and face to face support if required

HERE ARE JUST SOME OF THE TOPIC COVERED:
